Keep Love Close™

We all have people who have
shaped our lives,
whose voices are present
even in their absence,
who we carry in our hearts.

THE IDEA FOR WITH YOU BEGAN WITH ONE OF THEM.

WITH YOU

Our Story

Mikki Glass' father, Michael, was funny, charming and larger than life. In 2002, at the age of 61, he died following a short battle with brain cancer.

Three years later, her sister was engaged to be married and Mikki wanted to ensure their father was represented at the wedding in a manner that would be meaningful and private. She set about creating an ankle locket with two photos tucked inside so her sister could have her father "walk her down the aisle."

THE CONCEPT FOR WITH YOU WAS BORN.

WITH YOU

With You

With You is a new jewelry line inspired by the simple idea that we all carry our most cherished relationships with us. It provides a beautiful way to celebrate our loved ones.
